TREND COLOURS 2018

Flat and circular knitted Juzo[®] products

From
February
2018

The fine fashionable stockings

fine meshed fabric

soft fabric

Juzo® Attractive Glossy with a fine-stocking look

The velvety transparency and exceptionally fine knit make this compression stocking a real trendsetter. Thanks to its finestocking look, Juzo Attractive is perfectly suited for everyday use and is a versatile addition to your wardrobe. The fashion highlight of this range is the "Vision" pattern, which can be incorporated on request. These stockings can also be worn during pregnancy. The compression pantyhose with a special pregnancy body part optimally supports both the expectant mother and the baby.

Juzo® Soft Super soft for feel good moments

The fine microfibre fabric with its optimum moisture transport guarantees a comfortable skin environment and a pleasant, soft feeling on the skin. Juzo Soft combines refined fashion with the ultimate in wearing comfort. You can make a fashion statement with the Juzo Soft Leggings which can be combined with every outfit – just feel your best!

The experts with seam

UV protection

flat seam

flat seam

Juzo® Expert Pleasantly soft for tailored treatment

Thanks to its exceptional softness and bi-directional elasticity, Juzo Expert provides the greatest possible freedom of movement and is very comfortable to wear. This special fabric is ideally suited for full-body garments and, thanks to its certified UV protection factor of 80 (18 – 32 mmHg, CCL 1 – 2), is also ideal for use in scar therapy.

Juzo® Expert Strong Reliable and strong products for lymphology

Thanks to its high therapeutic pressure and pleasant massaging effect, Juzo Expert Strong is especially suitable for severe lymphological disorders. The firm and strong fabric provides professional support in the treatment of pronounced lymphoedema and lipoedema.

Colours
